## **2.7 ELECTION**

Each year, a maximum of two nominees for the proficiency award may be elected and only one possible nominee elected for the meritorious award.

In order to be elected, a nominee must receive at least 75% of the votes cast. Living and posthumous candidates may be elected during any year. The Board shall proceed to vote as follows:

- Only one ballot will be cast for each category of proficiency & meritorious. The ballot will contain the names of all candidates in that category.
- Points assigned by each Board member may be 5 to 0 for a candidate. Only one point value is assigned to each candidate, resulting in no duplication of points (i.e.. the point value of 5 may be cast only ONCE on the ballot: only one 4, one 3, etc..).
- A total of 75% of the total points is required for a nominee to be elected.

If no nominees qualify on the first ballot, a second ballot will be taken using the following procedure:

- Take only the top two candidates from the first ballot and re-vote using 5 to 0.
- If no candidate qualifies on the second ballot, it will be declared a "no election" year. All nominees not elected to the Hall of Fame in the first year will be carried over as nominees for the second year. If not elected the second year, their names will be removed from the nomination list. They may be re-nominated by following the original procedure.

**2.8 AWARDS** The expenses of operating the Hall of Fame shall be borne by the Bowlers Association of Sun City West. Any expense of any celebration dinner or picnic shall be a shared expense with attending members and/or shall be determined by the Bowlers Association of Sun City West Governing Board.
